* Important Notice To Erasmus students: The Department of Psychology does not offer courses in English. Instead, Erasmus students attend regular meetings with the course teacher working on individual/group projects.

Moreover, face-to-face tutorials operate during the semester. Tutorials aim to support personal understanding and the development of thinking paths that enable students to grasp the gist of the course content and reach the learning outcomes of each course.

** CC = Compulsory Courses
CEC = Compulsory Elective Courses
FL CEC = Foreign Language Compulsory Elective Courses
